

I have the tools I need to be successful and will utilize them to my maximize capabilities.

I am a creative person and people are drawn to my resourceful nature.

I am a strong and happy person and people are attracted my positive attitude.

I have a strong relationship and everyday it grows stronger.

I love those around me and forgive those who have wronged me.

I know I can complete the tasks set in front of me, even the most difficult tasks.

My mind is calm, my body is health, and my soul is at peace.

I am full of energy and people are drawn to my radiance.

My cup is running over with happiness and joy.

I am worth of love and compassion.
